1. Introduction

This attendance and leave of absence policy is to assist the SCITT Director, Course Leader and Strategic Board of The National Modern Languages SCITT (TNMLS) in making fair and reasonable decisions regarding the attendance of fee-paying trainees and requests for leave of absence from its fee paying trainees. Salaried or employed trainees are subject to the policies of their employing school or trust and as such are not covered by this policy. This policy should be read in conjunction with the 'Withdrawals or Termination' Policy, 'The C4C Policy', 'The Disciplinary Policy', 'The Appeals Policy' and 'The Complaints Policy'

The over-riding consideration will be the impact of any trainee absence on:

- the learning of the children that are taught by the trainee;
- progression of the trainee towards meeting the teachers' standards at the career appropriate level in order to award QTS; ensuring that TNMLS is compliant with the conditions of the document 'Initial teacher training criteria and supporting advice, Information for accredited initial teacher training providers.'
- considering the professional behaviour of trainees whilst on the course.

However, consideration will also reflect obligations to trainees in terms of legal and contractual requirements and moral obligations.

2. Purpose Scope & Principles

- The responsibility for exercising discretion on behalf of the TNMLS Strategic Board is the SCITT Director's in accordance with the scope of TNMLS Strategic Board terms of reference. The SCITT Director may delegate certain discretions to the Course Leader. However, any such discretions will be in accordance with the principles and guidelines within this document and within the overall authority of the SCITT Director.
- Any dispute or grievance about a request for leave of absence will be dealt with by the SCITT Director in the first instance but referred to the Curriculum and Trainee Related Matters Committee.
- The trainee may appeal any decision via TNMLS Complaints or Appeals Procedure
- A principal purpose in setting out this Policy is to ensure that requests are dealt with fairly and consistently but within a framework of recognising that on certain occasions depending upon the circumstances, discretions will need to be applied by the SCITT Director.

3. Trainee Attendance on a Teacher Training Course

The National Modern Languages SCITT as an ITT Provider must ensure:

'C2.3 That training programmes are designed to provide trainee teachers with sufficient time being trained in schools, early years and/or further education settings to enable them to demonstrate that they have met all the standards for QTS. This means they would typically be

structured to include at least the following periods of time to be spent in training in schools, early years or further education settings:...

A secondary graduate (non-employment based) programme - 120 days (24 weeks)

A primary graduate (non-employment based) programme - 120 days (24 weeks)...

(pp19, Initial teacher training criteria and supporting advice, Information for accredited initial teacher training providers, February 2017, DfE, 2017)

For this reason, it is not expected that trainees will be absent from the course during the academic year. Please be aware that any and all absence totalling 10 working days or more may have an effect on your ability to complete the course and could result in withdrawal, a break in study or a C4C process.

It is the trainee's responsibility to check TNMLS training calendar before they begin the course and during the course for course dates and to seek information about school holiday dates for the geographical area where they are hoping to train (Sheffield, London, Bolton, or other partner school area). The ability to meet the teachers' standards and be compliant with ITT criteria will be paramount and, except in emergency circumstances, adequate notice of a request for leave of absence must be given.

The Trainee shall not be permitted to attend placements or lectures without the express permission of the SCITT Director in the event that he or she fails to make any payment of course fees before its respective due date. Such failure to attend will be counted as absence and may have an effect on the Trainee's ability to gain QTS.

Any leave or travel booked before commencement of the course will not be honoured by TNMLS and could result in the trainee becoming non-compliant with the requirements of the ITT Criteria and therefore not able to gain QTS. During the course, any recreational activity should be undertaken in the trainees' own time and/or in school holidays.

It is the trainee's responsibility to inform their school, subject mentor, hub lead teacher, course leader and TNMLS Administrator by email or phone of any absence from school, training or other activity as required by the course. The monitoring of absences will be reported to TNMLS Strategic Board every term. Please refer to the following statement which is in the NML Handbook:

Absence from the programme (Including School, University and SCITT)

If you are going to be absent from any part of the programme, you must inform The NML SCITT office immediately by contacting jgarrow@nationalmodernlanguages.com and lallsop@sheffieldtsa.org. The office is staffed all year except for Bank holiday closure. You must also inform the NML SCITT Course Leader, your mentor and follow school procedures for absence. Ask your school what procedure should be followed if you are unable to go to school because of illness. You should notify your Mentor of the current progress of your classes but you should not be expected to provide detailed cover work after your first day's absence.

Please be aware that any absences totalling 10 working days or more may have an effect on your ability to complete the programme and could result in a C4C process or being asked to repeat parts of the course. In the case of repeated, unexplained absence, you could be asked to leave the programme.

It is the SCITT Administrators' responsibility to collect and keep information about trainee absence and to bring this to the attention of the Course Leader.

Each trainee, before the Course commences, should provide the contact details for a named representative who will contact, or can be contacted by the Provider, in relation to the Trainee's absence from the Course. (The NMLS Handbook for Trainees and Mentors).

The following statement is included in the trainee contract which becomes legally binding once signed by the trainee.

If I am unwell, I will inform the SCITT office by 8 am that I will not be attending lectures/school by emailing jgarrow@nationalmodernlanguages.com and ksredzki-seamer@nationalmodernlanguages.com I will also inform the placement school by email or phone, adhering to their absence and punctuality procedures. I will provide The National Modern Languages SCITT with the necessary medical documentation from my medical practitioner if absent from the course. If it becomes apparent that I am unfit to continue on the course, I understand it is a requirement to accurately and honestly complete a further health assessment form and, where necessary, comply with requirements for further discussion/examination and to pay any costs before I will be allowed to recommence my studies. I will not take holidays during the course. I will adhere to the content of the Absence policy.

I understand that attendance at professional development sessions is compulsory and I will ensure that I log in and out of each session. I undertake to complete the appropriate absence forms and to make up work missed through illness or other circumstances covered within The National Modern Languages SCITT Absence Policy. I will be prepared for sessions to start promptly and ensure I have made adequate arrangements to be in on time, not using traffic as an excuse for lateness. I will not leave a session once it has started without seeking permission from the tutor. I will switch my mobile phone off and not use it in lectures or in the classroom. I undertake to be scrupulous about signing in and out of the building, and signing session registers. I understand that records of attendance and lateness will be kept by The National Modern Languages SCITT and may be used as evidence when awarding qualifications or writing references. I will submit work in accordance with the instructions in The National Modern Languages SCITT handbook. I will ensure I know and maintain at all times the school policy on control, rewards and punishment, recognising that it is illegal to use physical means of punishment. (SCITT Trainee Contract, TNMLS)

Where a trainee's professional behaviour is being affected by repeated or continual absence TNMLS Trainee contract details the responsibility of the trainee's placement school headteacher and TNMLS Management Board:

In the case of the other incidents listed below the decision on whether to exclude rests with the Headteacher in the first instance (these will subsequently be referred to the Management Board for a final decision according to Disciplinary Policy) and it is sensible to assume that exclusion is the likely outcome of such behaviour.

- *Regular lateness.*
- *Regular unexplained or poorly justified absence.*

4. Extenuating Circumstances

If at any time during the programme, you are affected by extenuating circumstances, you must discuss this with your mentor immediately. Extenuating circumstances can include bereavement, physical and mental health issues, and difficulties in your personal life. It is very important that you seek help immediately and retain any documentation to support your circumstances. These documents will be required by the assessment board at The NML SCITT and SHU in order to make decisions about your progress.

If your training programme is interrupted by the unexpected death or onset of serious illness of a close relative, a fixed term of compassionate leave of absence can be negotiated with your school and Course Leader. This will normally be about two weeks to allow you to travel abroad if necessary, but it is essential that you maintain close contact with your school in such circumstances.

If you are unwell and unable to continue your training in school and/or at Day Schools, you should consult your GP who may declare you unfit to continue to train/be in school for a specified number of days and will provide you with a declaration to send to your school and The NML SCITT office. Once you are well enough to return, your GP will give you a note stating that you are ready to return, which you must give to The NML SCITT office and your school – The NML SCITT office will retain a copy of this note for our files. During this period of sick leave, you must keep in contact with the course leader, your Mentor and The Hub Lead Teacher. You should notify your Mentor of the current progress of your classes but you should not be expected to provide detailed cover work after your first day's absence.

5. Religious Festivals

Approved absence for religious festivals: Your school will give appropriate and sympathetic consideration to requests for leave if you wish to participate in a religious festival not covered by UK public holidays. Where it impacts on your attendance at school, you will need to abide by the school's policy. Whilst requests to be absent to attend a religious festival will not be refused unreasonably and without adequate explanation, it must be appreciated that:

- schools must always ensure adequate coverage for your absence;
- Trainers/ Lead Teachers must be able to ensure you are able to complete your training successfully.

It is important that you tell us well in advance of the festival so that we can arrange for your absence.

6. Absence Procedure Flow Charts

6.1 High level process

6.2 Process for managing absence of 10 days or more

7. Procedure for the Management of Leave of Absence

This policy is applicable to all trainees enrolled with TNMLS. Please complete TNMLS Leave of Absence request form and submit this to the course leader well in advance of your absence. In the case of any emergency, please submit the form as soon as possible to the course leader.

The following is covered in this policy:

- Compassionate Leave
- Dependants Leave
- Parental Leave
- Paternity/maternity Leave
- Medical Reasons
- Public Duties
- Miscellaneous

7.1 Compassionate Leave

Reason for absence	Period of absence	Action after this period
Serious illness of close family member or dependant or other 'urgent domestic distress	Up to 3 days	Please inform SCITT office and course leader of your return to the course
Bereavement of a close family member or dependant	Up to 10 days including attendance at funeral	Please speak to your lead teacher, mentor, and course leader if you need support with difficult circumstances.
Attendance at funerals for family than close family members	Up to 1 day	

Note:

Refer also to dependants leave. In such circumstances trainees are encouraged to discuss their personal circumstances with the Course Leader.

A 'close family member' is normally defined as a partner, parent, child, grandparent, grandchild, brother, or sister; however, this definition is not exclusive.

There may be occasions when a member of staff may request to attend the funeral of a close family friend as opposed to the person being a direct relative. When such a request is made, consideration will be given for granting time off for the funeral e.g. half a day.

7.2 Dependants' Leave

Reason for absence	Period of absence	Action after this period
Time off for urgent reasons relating to employee's dependant e.g. child, partner, or parent.	As agreed.	<u>Please inform SCITT office and course leader of your return to the course</u>
<p>Note: Other Leave of Absence provisions may also be applicable e.g. compassionate leave.</p> <p>Child Illness: TNMLS recognises that there will be times when a trainee's child becomes ill and that may impact on their attendance at Day Schools, school, training or other activity. Where such emergencies occur, then TNMLS will grant leave for that particular day. However, a distinction does need to be made between what constitutes an emergency and non-emergency situation. For example, a child with 'a cold' does not constitute an emergency and TNMLS will hold an expectation that normal child care provisions will ensure that the member of staff is still able to attend work. Where a pattern of absence for emergency child care emerges, this will require further discussions with the SCITT Director.</p> <p>Where more serious longer term care arrangements are required in line with the Dependants Leave Policy, TNMLS will look to provide support for the trainee by advising them on their options to take a break in study or other suitable arrangement, please note that fees for the course are required to be paid pro-rata according to HEP rules and regulations despite absence or break in study being agreed. Such circumstances will be supported following personal and private discussions with the SCITT Director. Please see TNMLS Policy on 'Withdrawal from the Course'</p>		

7.3 Parental Leave

Reason for absence	Period of absence	Action after this period
Time off to care for a child under 5 (or under 18 if a Disabled child)	Up to ten days	Discussion with Course Leader and SCITT Director about the future of the trainee on the course.

7.5 Leave for Medical Reasons

Reason for absence	Period of absence	Action after this period
Illness	As necessary. Up to five working days can be self-certified using a form from your GP after this period, you must produce evidence from your doctor in the form of a doctor's note which will stipulate the nature of your illness and the length of time you will be unfit for work.	Please inform your mentor, course leader and the SCITT office on your return to the course. We may need to discuss the impact of an absence of 10 days or more on your ability to continue on the course.
<p>Note: There is no need to complete a Leave of Absence form for illness. Please consult your doctor as soon as possible and keep all evidence of medical help including appointment cards, doctor's notes, and/or letters from medical staff.</p>		
Emergency/Non routine Dental/ Medical Appointments (including investigations and treatments)	As necessary	Return to course
<p>Note: TNMLS holds an expectation that all routine dental and medical appointments will take place outside working hours. Where it is not possible to arrange a routine appointment outside of working hours, trainees may be granted a leave of absence subject to discussion with the Course Leader.</p>		

Blood donation Cervical smears Breast screening Prostate checks IVF treatment	As necessary	Return to course
<p>Note:</p> <p>Other treatments e.g. complementary therapy, cosmetic treatments, should be arranged outside normal working hours. Where it is not possible trainees may be granted leave of absence.</p> <p>TNMLS will monitor overall absence from the course and present this information to TNMLS Strategic Board. Should all absences total more than 10 days then a review of the trainee's progress will be undertaken and a decision will be taken about how to proceed on a case by case basis bearing in mind the ITT Criteria requirements for 120 days of training.</p>		

7.6 Leave for Public Duties

School Governing Body duties	As necessary	
<p>Note:</p> <p>Leave for Magisterial Duties, Public Duties and School Governing Body Duties is subject to agreement of the TNMLS SCITT Director and Strategic Board. TNMLS will monitor overall absence from the</p>		

course and present this information to TNMLS Strategic Board. Should all absences total more than 10 days then a review of the trainee's progress will be undertaken and a decision will be taken about how to proceed on a case by case basis bearing in mind the ITT Criteria requirements for 120 days of training

7.7 Miscellaneous

Reason for absence	Period of absence	Action after this period
Maternity Leave	As necessary	See note

<p>Note: Maternity leave and adoption leave are mandatory for employees; however, trainee teachers are not employees and therefore need to discuss the impact of this leave on their ability to complete the course. TNMLS SCITT Director will discuss how to support individual trainees in the case of maternity or adoption leave including discussing a break in study or temporary withdrawal.</p> <p>If you are receipt of a bursary to train to teach there are financial implications to taking this type of leave. TNMLS SCITT Director will discuss these with the individual trainee on a case-by-case basis.</p>

<p>Note: Attending your own wedding is not subject to leave of absence and is not expected to be planned in course time. A 'close family member' is normally defined as partner, parent, child, grandparent, grandchild, brother, or sister, however this definition is not exclusive. If you require to travel to the wedding this will be considered on a case-by-case basis but should not exceed five days.</p>		
Reason for absence	Period of absence	Action after this period
House move	1 day	Return to course
National team events e.g. Olympics	As may be approved	Discuss impact of this absence and continuation on course with SCITT Director and course leader
Other circumstances e.g. 'once in a lifetime'	Would require withdrawal from the course or a break in study.	Discuss impact of this absence and continuation on course with SCITT Director and course leader.

7.9 Unauthorised Absence

If a trainee takes leave of absence without the prior consent of the SCITT Director or fails to follow the correct absence procedures (sick or otherwise) this will warrant an investigation under TNMLS's disciplinary Procedures.

If a trainee believes that they are not being fairly treated or leave has been refused unreasonably, the issue should be raised in accordance with the complaints procedure.

This policy will be reviewed annually by TNMLS Strategic Board in accordance with changes to legislation or terms and conditions, and its application will be monitored to ensure consistency and fair application.
