1. Statement of Intent

The NML SCITT (TNMLS) is committed to safeguarding children and young people and to ensuring that we, as an organisation in partnership with our schools, meet our statutory requirements.

As an accredited Initial Teacher Training provider, THE NML SCITT must comply with the '[ITT Criteria and Supporting Advice](#)', Updated 22 January 2021. The advice is published by the Department for Education (DfE).

The following extract from '[ITT Criteria and Supporting Advice, Updated April 2019](#)' <https://www.gov.uk/government/publications/initial-teacher-training-criteria/initial-teacher-training-itt-criteria-and-supporting-advice> outlines the expectations of providers of Initial Teacher Training:

All accredited ITT providers must ensure that:

C1.3 ...all entrants, as part of the provider's selection procedures, have taken part in a rigorous selection process designed to assess their suitability to train to teach.

Disclosure and Barring Service checks

Providers should have regard to the [Keeping Children Safe in Education statutory guidance](#) when carrying out their duties to safeguard and promote the welfare of children. They should ensure all trainees have been subject to appropriate pre-selection checks. This will include obtaining and considering [Disclosure and Barring Service \(DBS\)](#) criminal records checks and children's barred list information.

Providers should confirm in writing to schools that a non-salaried trainee's criminal record check, including a check of the children's barred list, has been completed and that the individual has been judged by the provider to be suitable to work with children. Providers are not required to provide any information to schools in addition to this confirmation. Schools may wish to record this confirmation in their single central record, but they are not required to do so.

Where a school or college allows an individual to start work in regulated activity before the DBS certificate is available, they should ensure the individual is appropriately supervised and that all other checks, including a separate barred list check, have been completed.

In the case of salaried routes, the responsibility lies with the employer to ensure that checks have been carried out. The employing school should inform the provider that a satisfactory check has been obtained.

Providers should establish clear safeguarding procedures and protocols that are agreed by all partners in the partnership. This should include a common understanding across the partnership of convictions, offences, cautions and warnings that would not pose a barrier to joining an ITT programme.

Schools should ensure that all trainee teachers, at the start of their training in each school, are provided with the following:

- *the child protection policy;*
- *the staff behaviour policy (sometimes called a code of conduct);*
- *information about the role of the designated safeguarding lead;*
- *a copy of Keeping Children Safe in Education*

Providers may wish to recommend to applicants that are checked early in the recruitment cycle that they register with the DBS update service.

If a provider removes a trainee from a programme because the trainee has harmed or poses a risk of harm to children, or if the provider would have removed the trainee had they not left, the provider should seek guidance from the DBS.

Any queries about DBS checks should be referred to the DBS at customerservices@dbs.gsi.gov.uk or on 03000 200 190.

Other background checks

Candidates who are unsuited to working with children may not have any previous convictions, and providers should be vigilant during the selection process. Providers or employing schools have a duty to ensure that trainees are properly managed and supervised and that, if they have concerns, information is referred to the police and the DBS.

Providers and employers must check that candidates are not:

- *subject to a prohibition order issued by the Secretary of State*
- *prohibited to teach in another country of the European Economic Area (EEA)*

The lists of prohibited teachers is on the [Teacher Services System](#).

Trainees who have lived or worked outside the UK must undergo the same checks as all other staff in schools and colleges. In addition, further checks should be carried out so that events that occurred outside the UK can be considered. The Home Office has published guidance on [criminal record checks for overseas applicants](#).

Childcare disqualification

ITT providers should have regard to the [Disqualification under the Childcare Act 2006 statutory guidance](#) and related obligations under the [Childcare Act 2006](#) when carrying out their duties to safeguard and promote the welfare of children.

Where trainees are salaried, it is the responsibility of the school to ensure they comply with the legislation. If a salaried trainee is, or becomes, disqualified from a childcare role, schools should inform the training provider of this. Where trainees are fee-funded, it is the responsibility of the training provider to ensure that the trainee is not disqualified from childcare or that the trainee has obtained a childcare disqualification waiver from Ofsted.

2. How We Will Fulfil Our Obligation

This document sets out how the NML SCITT and partner schools are able to fulfil their obligations. This process is reviewed annually by the Strategic Board and is outlined below:

1. All applicants have completed a **suitability declaration form** (see Appendix One for a copy of this form)
2. Any declaration made by an applicant has been reviewed by a Suitability Panel (see **Suitability Declaration Assessment Policy**). For some applicants this means they are considered fit to continue and allowed to progress, subject to a matching DBS certificate.

3. All applicants have undergone the following checks prior to enrolment:
 - a) an identity check;
 - b) a barred list check;
 - c) an enhanced DBS check/certificate;
 - d) a prohibition from teaching check;
 - e) checks on people who have lived or worked outside the UK using home office guidance on criminal records checks for overseas applicants. For example, a 'Certificate of Good Conduct' would be requested for applicants who have spent six months or more outside the UK in the previous 10 years;
 - f) a check of professional qualifications;
 - g) a check to establish the person's right to work in the United Kingdom as per Government guidance at <https://www.gov.uk/check-job-applicant-right-to-work>
 - h) a check to establish the person's right to study in the United Kingdom as per Government guidance at <https://www.gov.uk/check-immigration-status>
 - i) a health check including disability statement.
4. Once the DBS or 'Certificate of Good Conduct' has been received, the NML SCITT ensured that the contents of a trainee's certificate(s) are consistent with their **suitability declaration**. Any discrepancies identified between the suitability declaration and the DBS check have been investigated by a Suitability Panel
5. If further information has been required or if the contents of the DBS or any other check raised some concern, then the applicant has been invited to meet with the Suitability Panel. This panel has assessed the applicant's suitability for the course. The panel has the authority to suspend or terminate the enrolment of any student based on their assessment of their suitability for the teaching profession. Alternatively, after careful consideration, the panel can recommend that the applicant is suitable to begin their training and they will be allowed to continue to enrolment.
6. Please note, our trainees are only expected to undertake 'regulated activity' with children and young people aged 11 to 18 therefore there is no requirement to carry out a check for '**Disqualification under the Childcare Act**' or '**Disqualification by Association**'. This means that any activity in a Primary or Nursery/Infant School involving children under the age of eight should be treated as 'supervised activity' for our trainees in this setting.
7. Prior to the commencement of any placement in school the partner school has received a copy of this policy and a list of trainees (see Appendix Two) with their DBS certificate number confirming that trainees have completed this process successfully.

Exceptionally, where there is a delay in the DBS process, the Headteacher will be asked to agree to trainees starting prior to receipt of their full DBS check. In advance of this, trainees will have been checked and cleared against the children's barred list and the NML SCITT will be working to move trainees through the process described above. If there are any concerns around an applicant's suitability, then trainees will not be allowed to begin placement. However, if following scrutiny of the **suitability form**, there are no concerns, the Headteacher will be asked to agree to the trainee beginning placement. In these instances, the permission for the trainee to begin placement is at the discretion of the Headteacher and NML SCITT will request for the Headteacher to sign a waiver. (see appendix two). The Headteacher must ensure that the trainees are supervised at all times.

All staff working in the NML SCITT hold a current enhanced DBS certificate and do not need to be supervised when in school.

3. Trainee detail

Trainee name:

DBS Number:

There is no requirement for the additional scrutiny of a Trainee's DBS certificate by partner schools as the NML SCITT accepts full responsibility for carrying out the statutory checks.

The NML SCITT will seek the permission to share the contents of DBS certificate with a school where this would benefit the trainee and school to understand the context and offer support for a relevant entry on a DBS certificate.

A trainee is under no obligation to share their certificate with partner schools and any such request could be construed as an 'Enforced Subject Access' request under the *Police Act 1974*.

Should a partner school wish to see the contents of a trainee's DBS certificate then they must pay for and request their own DBS certificate as it is a criminal offence, under Part V of the *Police Act 1974*, to share the contents of a DBS certificate outside of the 'Registered Body' who originally requested the check without written consent from the trainee.

This policy can be held on your Central Record as evidence of our responsibilities as a provider of ITT and read in conjunction with the following statutory guidance:
