

# NML SCITT Provisional Calendar 2023 - 2024

This calendar is an example of our yearly programme and dates will not be confirmed until June 2023.

The primary placement should be completed before the end of December. The days do not need to be consecutive.

Reading week - trainees are not in placement schools during this week and will be required to complete work towards their PGCE.

PGCE 1 Assignment due 9.1.2024. PGCE 2 Assignment due 9.5.2024

Hub training is delivered in the Hub and the weekday for this will vary from Hub to Hub. The weekday will be confirmed in June 2023.
